

block island sound

guitar capo 5

Am
we set out on sunday night
G
to get ahead of how we fell behind
Em Am
to try our luck on block island sound
Am
and i don't really know how deep it goes
G
a river only knows from where it flows
Em Am
before the dark just pulls it down
FM7
and if you can't take it
C
we can just sail on back to mystic
Em Am
if the mistress keeps pulling you around
FM7
if you can't take it
C
we can just sail on back to mystic
Em Am
sail on back through block island sound
